January 2024 tour report:

Well of course the evening started off with some talk of the weather and a lot of the regular chit-chat plus the introduction of a few prospective members that joined us for the evening. With everyone seated and a quick review of the rules of the game, the game was on. It didn't take too long to where everyone got into the swing of how it all goes. Every now and again, and of course from a voice of excitement, you'd hear 'BUNCO' called out. Amazing how serious some people get when involved in a game such as this. When it was all said and done with "game over" announced, It was time for desserts and of course more of the chit-chat.

The winners for the evening were:

- Most games won was George Erhard
- Most BUNCO's was Mary Thompson (again?)
- Most games lost was Adrienne Grigorian

Note: all winners' proceeds were donated to the club treasury. (Thank you)

Participants for the evening were, Chris Allport & Jennifer, Gladys & Scott Cappiello, Pat & Geo Erhard, Ellen & Eric Fuller, Adrienne Grigorian, Jody & Lonny Johnson, Brenda Lantieri, Gene Mauk, Ruth & Darrell Payne, Bob Reeves, Mary & Walt Thompson.
