April 2024 tour: – Here we go with another beautiful day in SoCal. Meeting at the Brookside Golf Club for lunch got us off to a good start. Nothing like starting on a model A tour with a satisfied alliance feasting on not only good food but hosting a very pleasant atmosphere. After lunch it was over to the Pasadena Museum of History.

The museum was designed to entertain as well as educate with ever changing exhibitions - both online and in the History Center galleries that feature diverse topics that speak to the area's multi-faceted history and interests. Currently, It is basically broken into two sections.

NORTH GALLERY: CELEBRATE!

Showcasing an outstanding and diverse collection of fine art quilts by members of the Southern California group of textile artists with a comprehensive display of quilts on the Walls.

SOUTH GALLERY: CABINET OF CURIOSITIES

An exhibition that is part origin story, part retrospective, and a tribute to the early, privately amassed predecessors of modern-day museums. Featuring a wide variety of singular objects from the Museum's collections.

Participants for the tour were Pat & George Erhard*, Ellen & Eric Fuller*, Ruth & Darrell Payne, Anita & Fred Garcia, Adrienne Grigorian, Carol & Al Magee*, Bob Reeves*, Mary & Walt Thompson, Bev Wardle, and guest Tom Nardini*, (for this tour we had 5 model A's and the * on the name indicates the driver)

OC Pancake Breakfast coverage: Well, it seems that with the help of Eric Fuller, Bob Reeves' Theodore is joyously back on the road again. Actually, he was the only Jewel City member that made it to the Orange County Pancake Breakfast and car show this year. As seen in these pictures, there's always a good turnout of model A's. He did report: "Lots of people, multiple raffle items, pancakes, eggs and sausage, OJ and coffee for your \$10. The raffles were moved to earlier than originally planned to try to deal before the rains, and I left early for the same reason. Theodore's wiper requires a rebuild! And my bottle of Rainex was empty." Thanks Bob

MAFFI Minute

Now you can shop from the comfort of your home for wearing apparel and home décor specific to YOUR Model A and help the museum out in the process!

MAFFI has paired with a company that provides a variety of Model A products that can be customized! to your Model A/year. Or if you prefer, the merchandise can have the MAFFI logo on it. You can buy t-shirts, polo shirts, sweatshirts, hoodies, aprons, and hats to wear. Or, if your home or shop need some Model A décor you can buy wall art or a clock and more . . .

The company that we partnered with takes the orders on-line with credit cards and ships your custom order to your home. MAFFI gets 10% of the proceeds from each sale, so you are helping the museum every time you shop and getting great products.

It's easy: go to the MAFFI.org website, click on Store and you will be rerouted to the ModelAtshirt store. **It is important to shop by going through the MAFFI website though.** It's the only way our partner knows to give us 10% of the sale. If you go directly to the ModelAtshirt website, staff don't know you are a MAFFI customer and you pay the same price, but the museum doesn't get anything.

We know not everyone can get to Hickory Corners, MI to buy Model A merchandise; now you can shop Model A items 24/7 year around! And with Mother's and Father's Day around the corner, we've just made shopping a bit easier for the Model A enthusiasts in your life.

The accompanying pictures are some of my purchases; I guess you know what I drive for a Model A!
