HARBOR LIGHT

A Note from
Harbor President
Dennis Simpson

The Second Gear Grind

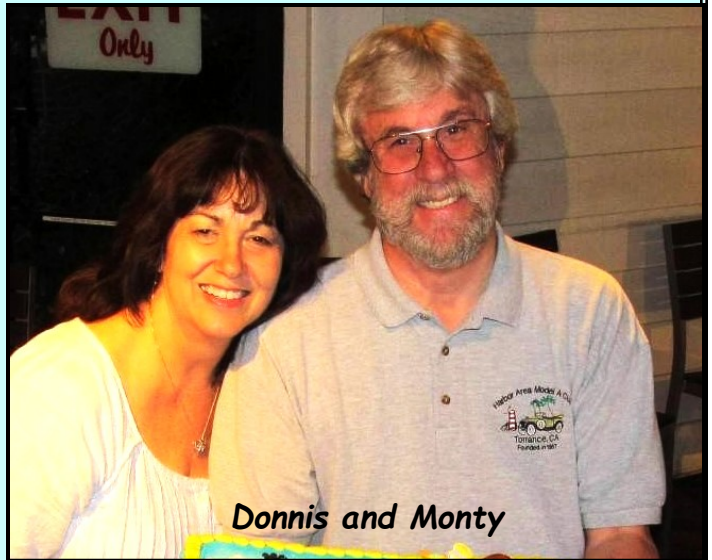

This Memorial Day let us remember all the heroes who have left us fighting for our country! I once read "Our flag does not fly because the wind moves it. It flies with the last breath of each soldier who died protecting it." We must never forget our Veterans and all they have done to ensure our freedom.

I want to acknowledge the recent loss of our very own Veteran, 2 times Harbor Area MARC president, 2 times Harbor Area MARC vice president, dear friend and integral part of our club... Monty Bates. We are thankful for his friendship, sense of humor and immense amount of memories he gave to our club!

General George S. Patton said "It is foolish and wrong to mourn the men who died. Rather we should thank God such men lived."

Thank you to all our Veterans, past and present, who served for our freedoms.

Until next time, remember if you meet a current Serviceman or Veteran, thank them for their service.

Donnis and Monty

Dennis

**Editor's Corner
By Dick Wyckoff**

My heart goes out to the family of my dear friend Monty Bates.

Thinking back, Monty and I shared many similar events in our lives, kinda like brothers. His father was a Navy vet and so was my grandfather. We both served in the Navy in Vietnam. Monty was a corpsman assigned to the Marines and I was a security guard for a Navy base. We both had careers in the aerospace industry. We both were married over 40 years. We joined the Harbor Club at the same time. He served as President twice, I served once. Our wives were also active in the club.

Our love for Model As was the common glue that bonded our friendship. We were on committees together, our wives travelled to many events together. . . . Monty's sense of humor was always present.

Donnis, we love you and share your sorrow. If you need anything, the Harbor folks are there for you.

Mother's Day with Janet Klein and Her Parlor Boys

On Mother's Day afternoon, Tim and Pat Harrison and their friend David Shipley, Linda and Dennis Simpson, Steve and Weeg Thompson, and Dick Wyckoff and his friend Debbie Allen headed to the Old Town Music Hall in El Segundo. The show that day at the 100 year old theater featured early jazz, Tin Pan Alley and Vaudeville tunes of the 1910's, 20's and 30's provided by Janet Klein and Her Parlor Boys. Janet Klein's wonderful singing was accompanied by the amazingly talented musicians who make up Her Parlor Boys. Who knew there was so much love, sex, fun and wit in the music of this era? Janet Klein knew, and now we do, too. Ms. Klein was kind enough to join us after the show for a "photo shoot" with Dick's Cabriolet and Dennis's Town Sedan in her perfectly appropriate era fashion dress and coiffure.

The NCRG That Wasn't by Weeg Thompson

At the beginning of May, eight Harbor Area members made their way north to Clear Lake for what they thought was NCRG (like CCRG but for Northern California). Turns out we were all wrong, but had a fabulous time at the Lake County A's 27th Annual Spring Opener. Jack and Joan Gordinier, Dennis and Linda Simpson, and Steve and Weeg Thompson drove up on Thursday May 2, and Mirco and Elaine Pisu arrived on Friday, May 3. No one drove or trailered a Model A because rain was predicted for most of the day Saturday. Gordiniers and Simpsons had dinner on Thursday at the Saw Shop Public House in Kelseyville where the food was quite good. They discovered that Kelseyville is a quaint "little" town," but everyone closes up shop early with the exception of Kelseyville Pizza, Saw Shop Public House, and the Scoop (where they enjoyed delicious ice cream after dinner, of course!).

On Friday morning, the early arrivers had a delightful breakfast at Renee's Cafe in Lakeport. Jack and Steve finished off breakfast with milkshakes selected from Renee's list of 15 flavors (one peanut butter and one peach). Both got two thumbs up. After a little shopping and driving around Lakeport during which we came across a number of beautiful murals on various buildings (like we've seen before in Lompoc), we stopped at Lakeport's waterfront Xabatin Community Park which was hosting a National Day of Awareness for Missing and Murdered Indigenous People event. The event was held to raise awareness of this problem and of community resources to address this issue and others. A staggering statistic we learned is that over 80% of American Indian and Alaska Native men (81.6%) and women (84.3%) have experienced violence in their lifetime.

The Spring Opener was held at Konocti Harbor Resort and Spa which recently reopened after being closed for about a decade. This was the first event held at the "new" resort. The Opener included a pasta buffet on Friday night, a tour on Saturday with lunch at a local golf course and a drive in the mountains around Clear Lake that provided magnificent views of the lake which is the largest natural lake entirely in California. The Lake County A's adjusted the schedule for the tour so we avoided most of the rain. The Opener was capped of with a banquet on Saturday night with an opportunity drawing that saw six wins at the Harbor Area table. Among the prizes were four bumper seats, two wooden and two upholstered. Steve won three and Elaine won the last one! Elaine also won a waterproof speaker and Joan won a Breakfast Basket. Although the Simpsons were shut out in the opportunity drawing, they "won" the auction that featured a darling Model A pedal car.

It may not have been *the* NCRG, but we all had a great time, and we hope more members will join us again next year for the Lake County A's Spring Opener!
