## *From the President and Editor*

Happy September! We are getting this month off to a great start. September 4 is our Annual Potluck Picnic. September is Garage Day at Bob Sponsel's garage. Jill has the address and directions if needed.

On the 14th there will be the 22nd Annual Santa Maria A's All Ford Car Show, Swap and Raffle in Orcutt. SBMAFC will have a pop-up set up for our members attending to have a place to sit in the shade. See pg 10.

On the 21st we have our tour to Senior Living Communities. We will first go to Samarkand. They are serving us refreshments while we are there!

Hope to see you all at one or all of the events.

Just a reminder, we have only one month left to buy a ticket to win the car, Betsy, and support the museum expansion. See page 11.

And next month, 25-26 Board Nominations!

# Gymkhana

## Closest Coaster

The boy scouts took their job seriously, taking measurements and deciding on the winner.

## Bean Bag Toss

On the left, Charlie is tossing a bag from Mo's car.

8 bags for 6 tires

This bean bag didn't quite make it.

A Boy Scout was stationed at each tire

# Gymkhana continued

Jill Thach receives her glass of water to deliver

**Slow Race** Who was the slowest?

**Serve Water** Fred Duerner and Jill Thach demonstrate the proper way to hold the plate.

Is the thumb on the plate allowed? Boy scouts got to take turns riding in John's rumble seat. Another Boy Scout brings down the flag to start. It was an absolute pleasure having them there to help out.

## This and That

Mary Ann and Jack Belleview displayed their Model A Ford Popcorn truck at the August 11, Auto Expo at Santa Barbara City College. It was designed and built for Jack's mother in 1929.

Proceeds for the Auto Expo go to the Community Hot Rod Vocational Training Center.

On an unofficial Garage Day at John Gilbertson's Garage, John put his 1930 Model A Coupe up on the rack. That is Lorne Johnston in the photo who came over to help out to try to tighten up the steering

# MODEL A ERA FASHION

## EGYPTOMANIA FASHION IN THE 1920S

The influence of King Tut's tomb on 1920's Fashion

The designs of Ancient Egypt became a major influence on fashion and the Art Deco period after the discovery of King Tutankhamun's tomb.

The tomb of King Tutankhamun was discovered in 1922 by British archaeologist Howard Carter and his benefactor Lord Carnarvon. The discovery was made on November 4, 1922, when Carter's team uncovered the staircase leading to the tomb's entrance. The tomb was not fully opened at this time, but Carter and his team cut a hole in the door to enter. -

## Radiator Busted Beyond Repair

Just tonight, 9/3/24, 3 hours ago, a Top contributor Beau Barnes of Topsham, Maine asked on the Facebook MAFCA page, “Good evening folks! I've got an important question. I just found out that my radiator is busted beyond repair. I need a new one. However I just can't wrap my head around the prices these days. I see they have aluminum rads for much less. Does anyone have any information or opinions they can give me on whether I should try an aluminum one out, or just pay the extra money for a good steel one?”

There were 19 answer so far. Here are three of them:

Top contributor Bruce Haynes of Old Church, Virginia replied, “Finding an aluminum radiator that fits is next to impossible. I wouldn't consider it all unless you have the word of another owner that the aluminum radiator they bought fit the same year Model A that you have. Personally I'd suck it up and buy a Brassworks. I've done it on 2 of my 3 A's and like everyone else who owns one I'm very pleased with the fitment and performance”

Photo from theBrassworks.net

Top contributor Jeff Headley of Stagecoach, Nevada wrote, “You’ve read people recommending Brassworks for good reason. If you contact them directly there may be a waiting line. If you contact resellers like The Model A Medic they may have some in stock.

Top contributor Eric Weninger, owner of Model A Medic, LLC also replied, “If your into a poor look and a poor fit,, then go for it. Otherwise, get a brasswork.

## SBMAFC Meeting Minutes August 7, 2024

The meeting was opened by the President, Janet Cox, at 7:20 pm. After the Pledge of Allegiance, Janet announced that the Speaker for tonight canceled. Instead, Janet showed us pictures from the Goldfield Days celebration in Goldfield, Nevada. Janet and John took their trailer over to Nevada and enjoyed rusted cars everywhere, a 1932 Ford fire truck, a rescue donkey (live, not rusted) named Honey, the huge old safe from the old Goldfield Hotel, a VW van with 23 windows that is apparently very valuable and they saw (or avoided) a 5-pound hamburger eating contest. Goldfield is just off US 95, and the celebration lasts for 3 days. It was 96 degrees, so not too awful.

The Secretary read the minutes from May, and Steve Penniman read the minutes from June because the Secretary was in Scotland.

The Treasurer, Bob Davis, reported that the account balance on June 3rd was \$6562.05, and he paid for the Post Office box (\$200.00), and the raffle brought in \$44.00. On August 1, the balance was \$5921.01, and the raffle brought in \$57.00.

The Cardinal Classics car show at Bishop Diego HS was a success, and Steve booked two weddings. Ed Firth won a trophy. The Woodies Show was also a success, and John Haggerty won a prize for his 1930s classic.

### Upcoming Events:

August 24: Gymkhana at the Southcoast Church, from 10am to noon. This will follow the Cars and Coffee show in the same location, from 8am to 10am. Boy Scout Troop 26 will volunteer to help.

August 31: Swap Meet at the Paso Robles Fairgrounds. Starts at 7am.

September 4: Annual Picnic/BBQ at Tuckers Grove

September 7: Garage Day at Bob Sponsel's

September 14: Orcutt's annual event and swap meet

September 17: Regular third Saturday Tour: Visiting senior communities

Projects: John and Ed painted Lorne's car. Fred didn't do anything except charge a lot of batteries. Steve had the shimmies, and Aaron fixed them. Aaron is looking for a 1930-1931 headlight bracket and some bumper brackets. Steve Penniman told us a Goldilocks story about jumping springs: one was too long, one was too short, and one didn't work, and he bought new ones. But the old ones worked better. Seriously. I hope he doesn't tell his kids or grandkids that version of the fable.

Drawings and Raffle: Jack won the Alarm Clock drawing for choosing 8:24 pm. Jack also won the Member Draw. Shortly after Mo asked why Aaron's pants don't fall down, the meeting adjourned at 8:25 pm.

Respectfully submitted (sort of): Susan Carty, Secretary

# This Year: SBMAFC will have a shady popup tent

## MAFFI Minute, (photos from maffi.org website)

### Drawing for Betsy on October 12, 2024—Ticket Sales close Oct. 6

Dear Model A Enthusiasts:

Today, August 19, 2024, the site at the Model A Museum was prepared for the expansion construction to begin! How exciting!! The expansion will allow for more cars to be displayed and stored, more vignettes to be displayed showing era scenes, a garage where cars can be worked on AND where education can take place for maintenance/overhauls of the Model A. There will be a restroom in the building with the expansion as well, which may not be as exciting, but certainly will be appreciated! Many Model A enthusiasts have contributed to this expansion. We have cash donors, donors who have given Model A cars to be sold, Model A enthusiasts who have purchased Sweepstakes tickets to help out, others have purchased a plaque with their car and name on it to go on the wall as a way of helping. There's also many people to thank behind the scenes too; those gave hours of time getting the donated Model A's for sale running well is just one example. It takes a whole lot of Model A'ers to make a museum this great, and we thank you and love you for it. Although the expansion is officially underway, we can't stop now! There is a whole new piece of real estate to outfit to tell the story of the Model A and its place in history, so we will continue to fundraise until all the pieces are in place. Thank you for whatever you have done and can do to help the Model A Ford Foundation Inc. Museum be the best.

Cindy Ellenbecker, MAFFI Trustee, Secretary

### My "A" Program
