CLUB UPDATE

Your board is in the process of updating and clarifying our by-laws and membership requirements. Attached are the proposed membership fees and dues. The Full membership rates are the same. Associate membership was clearer defined and the initiation fee reduced to reflect that no plaque is given. A new class of membership was added for our long time members who find they can no longer attend on a regular basis. Please review them and let us know your thoughts or if we've missed anything. They will be presented at a future meeting for ratification by the membership. Clark is working on getting our Club name and logo copyrighted.

From Jerry Sherman:

Check out the cool 4E4 jacket from this 70's photo at a hill climb. Someone may recognize who is wearing it. That's my dad in the sprint car, RAJO BBR overhead, B crank, dual mag, plugs, coils, and Winfield SRs, etc., the usual stuff.

Jim B thinks it may be George Gillhover member 12 who joined 2-4-1955

Editor? Was this taken at the Route 66 hillclimb that was held near Cajon pass?

ROUTE 66

Is turning 100 in 2026 I'm sure there will be many events shows that we can attend or participate in. The SoCal Regional Grp of MAFCA is said to be planning a tour from LA to Chicago via Rte 66. 5 cars ran the route east to west this year ending on the Santa Monica Pier.
