SHOW & SWAP 2026

JUNE 19-20 2026

Leonard Nettles joined the MAFCA group that drove their Model A cars from the Route 66 starting point in Chicago onto the pier in Santa Monica. This year to celebrate the 100th anniversary of the Mother Road the SoCal Regional Group of MAFCA is planning an eastbound tour from LA to Chicago. Leonard is already making plans to join others on a return journey.

If anyone is planning on attending the MAFCA National Convention in Pendleton OR a group is driving and you are welcome to tag along. They leave San Diego on May 26 and you can join anywhere along the route. <https://scrgmafca.com/Events/20260526SCRGTour.pdf>

FOOSE HAS BEEN BITTEN BY THE 4 CYLINDER BUG

The link is for a YouTube video of Chip building a new B powered T for the RPM Nationals. He has recently attended the Speedster Reunion in Nebraska and races at Santa Margarita Ranch.

Nick & Steve Serr when they picked up their Foose drawings. Nick was high bidder on the drawing at the Speedster Reunion. His intent was to surprise Steve with a father's day gift but Chip asked what car he wanted.

Not to give the surprise away he requested his KIA.

When Steve was out of earshot Nick asked for the Roadster pickup.

Foose also surprised Nick with a drawing of his KIA.
