May 2026 tour: – Well, the annual Memorial Weekend Fiesta Days car show at Memorial Park in La Canada was a grand success. Even with several members out of town to special family events, our Jewel City model A club had cars in the show and of course those who entered their car got a free breakfast. One nice thing about this show is a wide variety of cars that participate from the local and neighboring communities. There was music playing throughout the morning and breakfast available for all put on by the AM Kiwanis Club of La Cañada and the La Cañada Flintridge Chamber of Commerce. Our special thank you goes to Al Magee for his commitment in coordinating the event.

Here we have Bob Reeves' Theodore, and next to him is Jim Kroeger's 1930 Town Sedan from Santa Anita A's.

Here we see Bob Reeves along with Eric & George talking cars next to their model A's along with a few other neighborhood car friends.

In this picture we have some of the other cars that participated in the event

And another picture showing more of the participants beautiful cars that were near the fence

<< For entertainment there was a live band set up in front of The pagoda that played during the entire event.

Jewel City members In attendance for the tour were Pat & George Erhard*, Ellen & Eric Fuller*, Carol & Al Magee, Ruth & Darrell Payne, Bob Reeves* & Walt Thompson. (* on the name indicates they had their model A in the show)
